

STEAMER CABINET

蒸柜系列

电热单门蒸柜
Electric 1-door steamer cabinet

编号/Item NO.	
品牌/Brand	Elite-Flame
产品型号/Model	CS-1PH
规格/Dimension	800*900*1800mm
电功率/Connected load	380V/3ph, 36.0kW
备注/Remarks	

产品特点

- 蒸柜水胆使用不锈钢加工，与水及蒸汽接触部分全采用不锈钢材质
- 4组800材质9kW发热管，分别开关控制，根据需要调节大小
- 压力平衡式自动补水箱，保证水胆水位平衡，入水可靠
- 使用水位探针保护，防止干烧
- 水胆设置 \varnothing 1"手动球阀排水，每日放水，防止水垢积聚
- 设置蒸汽安全排放口，使用安全方便
- 水胆外部做保温层，提高热效率
- 层网可装拆且防拉脱，配层网7个
- 硬水地区使用该设备必须装配软化水装置

Description

- Steamer is made heat-resist of stainless steel, the contact surface with steam are made by stainless steel
- 4 groups INCOLOY 800 9kW heating element, independent control switch, multiple power options can be selected
- Pressure balance water tank, pressure regulator with self-auto filling, guarantees water level reached
- Over temperature and lack water protection, prevent dry heating
- Manually drainage \varnothing 1" ball valve on water tank, clean and drainage every day, to prevent water accumulate
- Setting water tank pressure release port, it is easy and safe to use
- The external of the water tank has thermal insulation layer to improve thermal efficiency.
- Accessories: anti-falling grid shelves, 7pcs shelves
- Required to install water softener for hard water areas
